

**PRO DUAL THRUST
CAULKING GUN - 310ML**
OX-P045430

- Patented Quick Switch Dual Thrust Ratio 12:1 & 24:1
- Suitable For Low To High Viscosity Materials
- Glass Fibre impregnated body with TPR handle
- Patented no gaps trigger design
- Twin Heat Treatment Steel Push Plates & 1.5mm Steel Push Piston

**PRO RODLESS CAULK
GUN - 340MM**
OX-P044910

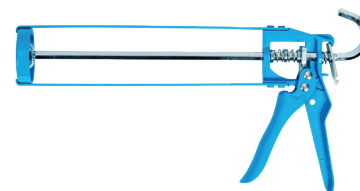

- Single component applicator
- Unique design rodless gun
- Rivetted & reinforced carriage
- Suitable for narrow space application
- Ergonomic operation design
- Ideal for use with latex & silicone caulks

PRO SKELETON CAULKING GUN
OX-P040109

- Skeleton frame
- 6mm hex rod with ladder hang hook
- Quick release lever

**CARTRIDGE GUN FOR 300ML
CARTRIDGE**
CG150SF-PWR

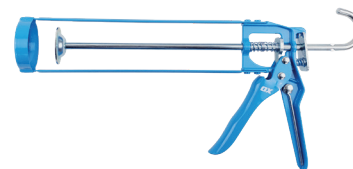

Manual dispensing tool 10:1, for 300 ml cartridges

**PRO DRIPLESS SKELETON
CAULKING GUN**
OX-P041810

- Mechanical thrust ratio: 7:1
- Cartridge Size: 310ml
- Zinc alloy handle / Steel trigger
- Steel zinc plated push rod
- Built-in cartridge puncture tool
- LOW to MEDIUM Viscosity

380ML INJECTION APPLICATOR TOOL
10081

- 380ml cartridges
- Heavy duty
- Quick release action

**CARTRIDGE & SAUSAGE
CAULKING GUNS**

H.B. Fuller caulking guns are engineered for trade using quality materials and components with ergonomics, performance and reliability in mind. The cast frame/handle assembly will not deform with prolonged use and the trigger offers a smooth action for clean bead application.

Model	Product Code	Colour
Tough Red (Ctg)	85001667	Red/Black
Sausage Barrel	85001659	Aluminium/Black

600ML SAUSAGE BARRELL GUN
10084

- Heavy duty
- Dispensing sealants in 600ml
- Suitable for sausage / tubes

**PRO DUAL THRUST
SEALANT GUN - 600ML/20OZ**
OX-P045560

- Patented Quick Switch Dual Thrust Ratio 12:1 & 24:1
- Suitable For Low To High Viscosity Materials
- Glass Fibre impregnated body with TPR handle
- Patented no gaps trigger design
- Patented 360° Barrel Rotary type Anodized Aluminium Barrel
- Patented Quick Fit & Toolless Plunger System (honeycomb design)

HAND TOOLS AND ACCESSORIES

CORDLESS HIGH-FLOW 600ML SAUSAGE GUN KIT (VARIABLE SPEED CONTROL) 29016

The Impact-A High Flow Sausage Gun has a variable speed trigger control and a power locking button for continuous flow, allowing for a precise and clean result every time.

- Dispense rate – high: 2.5 - 11 mm/s
- Push force 300kgf max
- Variable speed trigger control
- Plunger release button for ease of removing sausage or cartridge
- Led light to illuminate working area
- Power locking button to reduce fatigue and generates constant flow
- Automatic retraction of the plunger, creating an anti-drip function

KIT INCLUDES

- 2 x 7.2V Li-ion Batteries, 2.5Ah
- 1 x rapid Charger – Charging time 40 minute
- 1 x Nozzle
- Carry Case
- Instruction Book

CORDLESS HIGH-FLOW 600ML SAUSAGE GUN KIT (DIAL SPEED CONTROL) 28949

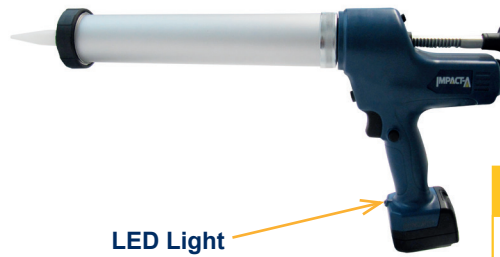

The Impact-A High Flow Sausage Gun is used for large caulking applications, where consistent power is required to push a large volume of adhesive or sealant out for a long time, at a smooth and steady flow.

- Dispense Rate – high: 2.5 - 11 mm/s
- Push force 300kgf max
- Dial speed control to set desired speed
- Plunger release button for ease of removing sausage or cartridge
- Led light to illuminate working area
- Power locking button to reduce fatigue and generates constant flow
- Automatic retraction of the plunger, creating an anti-drip function

KIT INCLUDES

- 2 x 7.2V Li-ion Batteries, 2.5Ah
- 1 x Rapid Charger – Charging time 40 minutes
- 1 x Nozzle
- Carry Case
- Instruction Book

CORDLESS MIDDLE-FLOW 310ML CARTRIDGE GUN KIT 28950

The Impact-A Cordless Cartridge Gun is used mainly for indoor applications, domestically or commercially. Great tool to fill gaps or provide sealing for many applications where constant flow over a long period is required.

- Dispense rate – 1.8 - 6mm/s
- Push force 300kgf max
- Dial speed control to set desired speed
- Plunger release button for ease of removing sausage or cartridge
- Led light to illuminate working area
- Power locking button to reduce fatigue and generates constant flow
- Automatic retraction of the plunger, creating an anti-drip function

KIT INCLUDES

- 2 x 7.2V Li-ion Batteries, 1.5Ah
- 1 x Charger – Charging time 70 minutes
- Carry Case
- Instruction Book

7.2V LI-ION BATTERY, 2.5AH 29017

FAST CHARGER 29018
