

PAINT & RESIN HAND CLEANER 5LTR 12895

Impact-A Paint & Resin Hand Cleaner is a useful natural hand cleaner combining coconut oil and lanolin to provide a rich creamy lather, leaving hands feeling soft and natural after a tough day of hard work. Suitable for spray painters, 2-pack applicators, printers, painters and all types of trades.

- Ideally suited in all industrial workshops, worksites and automotive repair shops
- Breaks down resins, adhesives & body fillers
- Pleasant on hands
- Erases paint and inks effortlessly
- Can be used every day
- Suitable for domestic and commercial use

ORANGE GRIT HAND CLEANER

Impact-A Orange Grit Hand Cleaner is an effective natural hand cleaner combining citrus oils with lanolin and coconut oil to provide a rich creamy lather, leaving hands feeling smooth and clean with a lingering citrus fragrance.

It also contains naturally occurring pumice that acts as an abrasive to loosen and remove dirt, grease and grime from the hands, without irritating the skin.

- Ideally suited in all industrial workshops, worksites and automotive repair shops
- Phosphate free & biodegradable
- Excellent grease cutting qualities
- Contains naturally occurring pumice
- Can be used every day
- Suitable for domestic and commercial use

5LTR DISINFECTANT BUNDLE 29164

Bundle Includes:

- 5ltr Commercial Grade Disinfectant
- 500ml Commercial Disinfectant with trigger sprayer
- Funnel for decanting
- 20ltr bucket for storing

Benefits of non aerosol over an aerosol product:

- Non aerosol products don't contain Ethanol, Propane or Butane
- Aerosol products need to be stored properly and out of direct sunlight
- Aerosol products can't be stored in high temperature settings
- Aerosols may be hazardous if you breathe in
