

## SAFETY STEP SSR002

A workplace safety essential! Richmond's 250kg safety step offers an economical and user friendly alternative to a step ladder in the workplace. Perfect for use in offices, libraries, supermarkets, department stores, medical facilities and warehouses. Large surface area of high grip tape with an indented step accessible from each of the four sides.

- 250kg safe working load
- 520 x 520 x 365mm dimensions
- Rolling insert to suit available

## ROLLING SAFETY STEP INSERT SSR003

Your safety step on wheels! This clever insert easily fits within your SSR002 Richmond safety to make it mobile.

- When stepped on the wheels retract into the base for safety
- 4 spring-loaded castors

## MIGHTY TOUGH SAFETY STEP SSR005

Introducing Richmond's toughest step yet - the mighty tough safety step features an extra tough rotationally moulded construction. Designed with safety in mind above all else. With a Hi-vis yellow colour, sturdy design, non-slip rubber feet and a wide area of grip tape for extra stability.

- 250kg safe working load
- 375 x 375 x 360mm dimensions
