BEWARE OF IMITATIONS

Similar products that invite misidentification or confusion with Nitto Kohki Cuplas, and products that claim to have compatible mating parts, have recently appeared on the market.

Even if it were possible to connect a Nitto Kohki cupla with a coupling of another brand, Nitto Kohki cannot accept responsibility for any accident that may result.

Nitto Kohki Cuplas are produced with unique tolerances and precision based on strict quality control and are not interchangeable with couplings made by others. Therefore, their use in connection with another brand of coupling is quite capable of causing sudden damage to the Cupla or personal injury.

When ordering and purchasing, please be sure to check that the adjacent marks are inscribed on Nitto Kohki Cupla products.

Quality Is NOT Interchangeable!
