

WHITE LITHIUM GREASE

CRC White Lithium Grease is an advanced lubricant and protectant containing an advanced additive package for superior performance and durability in any weather and most temperatures. This versatile grease is designed for light duty applications requiring a long grease life.

- Contains oxidation inhibitors to counter corrosion, and protects with a tough, high viscosity film.
- Provides lasting lubrication and durability under stressful conditions.

Part Number	Description
5037	CRC White Lithium Grease 1X300G

RED LITHIUM GREASE

CRC Red Lithium Grease is a multi-purpose, red lithium complex grease that withstands extreme pressures and temperature ranges. Formulated with anti-oxidation, anti-rust, and anti-wear additives, it is a highly versatile grease for use in both automotive and industrial settings.

- Withstands high temperature and pressure
- Water resistant, protects against rust and corrosion
- Contains anti-wear and anti-oxidation additives

Part Number	Description
1753203	CRC Red Lithium Grease 1X450G

PENETR8 HI SPEED PENETRANT

CRC Penetr8 is an industrial strength, low viscosity lubricant and penetrant designed to quickly loosen and free seized, bound or frozen fasteners.

- Extreme penetrating action – high speed penetrant, specially formulated to penetrate rust, dissolve varnishes and gums
- Leaves a thin non-drying, colourless film with outstanding lubrication & corrosion inhibiting properties

Part Number	Description
5501	CRC Penetr8 1X400G
5509	CRC Penetr8 1X20L

2.26

CRC 2.26 is a stable, inert organic formula, especially prepared to prevent malfunction and deterioration (due to the effect of moisture and corrosion), extends operational life, reduces down time and maintenance.

- Contains no silicone.
- A penetrant – frees rusted or corroded parts.
- Light degreaser.
- PN 2007 Trigger is rated as non-flammable under GHS packaging process

Part Number	Description
2005	CRC 2.26 Aerosol 1X450G
2006	CRC 2.26 1X4L
2007	CRC 2.26 1X500ML

MARINE 66

CRC Marine 66 is a multi-purpose compound designed to end damage due to water and salt atmosphere in marine engines and boating equipment.

- Displaces moisture and forms a continued non-hardening molecular film, protecting equipment.
- Penetrates and loosens scale, frees "frozen" parts, cleans, lubricates and displaces moisture.

Part Number	Description
6006	CRC Marine 66 1X300G

3.36

CRC 3-36 is a multiple organic inhibitor in a paraffinic oil base that prevents rust and corrosion by displacing and sealing out moisture and by forming a continuous protection barrier against water and oxygen.

- Thin invisible film that never dries or becomes brittle.
- Extremely low surface tension.
- Penetrates into pores and cracks.
- Low surface tension and an affinity for metal ensures that a continuous film of product will blanket every part of the surface.

Part Number	Description
3005	CRC 3.36 1X300G
3009	CRC 3.36 1X20L

PROTECH® CONTACT CLEANER FLAMMABLE

42033502

- A stable, inert, high purity cleaning solvent

PROTECH CONTACT CLEANER NON-FLAMMABLE

42034004

- A stable, no flash point, non-conductive, inert, high purity cleaning solvent

PROTECH
CLEANERS & LUBRICANTS

PROTECH® SILICONE LUBRICANT

42033501

- A high performance multi-purpose silicone spray that protects, waterproofs and lubricates
- Provides a thin, clear protective film which is non-staining and non-corrosive
- Innovative 2 way actuator with locking tab
- For use on metal, plastic, rubber and wood

PROTECH
CLEANERS & LUBRICANTS

PROTECH® HEAVY DUTY DEGREASER

42034003

- Specifically formulated to provide effective and fast removal of tough grease, oil, dirt and grime
- Delivers a concentrated jet which works immediately on contact and is easy to rinse off with water

PROTECH
CLEANERS & LUBRICANTS

PROTECH® MULTI-PURPOSE LUBRICANT

42034002

- A multi-use product that penetrates, lubricates, protects and displaces moisture
- It has hundreds of uses on the job, around home, garden or garage
- Innovative 2 way actuator with locking tab
- Uses a 360° valve for upright and inverted applications

PROTECH
CLEANERS & LUBRICANTS

PROTECH® BRAKE & PARTS CLEANER CHLORINATED

42035001

- Formulated for the rapid and safe removal of brake fluid, grease, oil and other contaminants

PROTECH BRAKE & PARTS CLEANER NON-CHLORINATED

42035002

- Does not contain carbon tetrachloride, silicones, CFC113 or methyl chloroform

PROTECH
CLEANERS & LUBRICANTS

PROTECH® WHITE LITHIUM GREASE

42033001

- High performance lithium based grease
- Provides long lasting lubrication for all metal applications
- Innovative 2 way actuator with locking tab
- Reduces friction whilst protecting against rust and corrosion
- Excellent water and heat resistance

PROTECH
CLEANERS & LUBRICANTS

PROTECH® AIR DUSTER

42032301

- A dry, multi-purpose cleaner for the safe removal of dust and lint from all delicate precision equipment
- Has a powerful burst of compressed gas which will remove dirt without any abrasion risk
- Non-corrosive and leaves no residue or condensation

PROTECH
CLEANERS & LUBRICANTS

PROTECH® DRY GRAPHITE LUBRICANT

42031502

- Multi-purpose dry powder lubricant that provides lubrication to surfaces which require unhindered sliding capability
- Finely ground powder for optimum penetration
- Lock lubricant

PROTECH
CLEANERS & LUBRICANTS

PROTECH® ISOPROPYL ALCOHOL CLEANER

42032701

- High purity cleaning solvent
- Dries quickly and leaves no residue
- Non-corrosive, non-conducting and contains no lubricants
- Excellent for cleaning oil, dirt, dust, fingerprints, flux and polar soils from precision electronics and electrical equipment

PROTECH
CLEANERS & LUBRICANTS

PROTECH® LANOLIN LUBRICANT

42034005

- Safe and environmentally friendly product
- Non-toxic, biodegradable, non-evaporative and provides long lasting lubrication and corrosion protection
- Moisture, salt and acid resistant without harming metal, plastics, paints, fibreglass, rubber or neoprene seals

PROTECH
CLEANERS & LUBRICANTS

PROTECH® CHAIN LUBRICANT

42033003

- Heavy duty multi-purpose chain lubricant
- Resists high speed fling off while providing exceptional anti-wear and anti-corrosion performance even under the most severe operating conditions
- Innovative 2 way actuator with locking tab

PROTECH
CLEANERS & LUBRICANTS

PROTECH® PENETRATING OIL

42034001

- High speed penetrant and lubricant that quickly penetrates rusted and seized metal parts
- Has a low viscosity that creeps into cracks, seams, threads and joints, loosening and freeing them instantly
- Innovative 2 way actuator with locking tab
- Helps prevent further corrosion

PROTECH
CLEANERS & LUBRICANTS
