(Mon-Fri; 8am-4:30pm; AEST)

CSS Silver-Gal is a barrier type anti-corrosive silver paint designed to match the bright metallic lustre finish of 'Hot Dip' galvanising. Silver-Gal has excellent adhesion properties and provides a tough and durable finish on steel and iron. Although primarily designed for ferrous metals, the product can be used to provide a bright silver finish on other substrates. Silver-Gal is ideal for use on its own or as top coat over CSS ColGal.

Directions For Use Preparation

Surface should be clean, dry and free from contaminants such as rust, oil, grease and dirt. Shake can for at least 20 seconds after the mixing ball begins to rattle. Shake the can occasionally during use.

Application: Hold can upright and spray, adjusting the nozzle to achieve the desired spray pattern.

Technical Data

Size: 300g Aerosol
Finish: Metallic Lustre
Colour: Silver
Consistency: Liquid
Coverage: Approximately 2 sqm per can (depending on the surface)
Suitable Surfaces: Steel, iron; timber, cardboard and cement materials
Drying Time: 5 minutes at 25°C
Temperature: Between 10°C and 40°C

Storage

Store below 50°C. Do not store in direct sunlight or in vehicles under hot conditions. Protect aerosol cans against physical damage.

Disposal

Aerosol should be completely emptied prior to disposal. Contents of can are under pressure. Do not puncture or incinerate even when empty. When empty, dispose of this container through an approved recycling scheme or seek advice from your local council regarding accepted disposal methods.

Safety Information

Highly Flammable

Keep away from flame, heat and sources of ignition. Do not smoke and ensure adequate ventilation during use. Can be harmful by inhalation, in contact with skin and if swallowed. Intentional misuse by deliberately inhaling contents can be harmful or fatal.

First Aid

Keepout Of Reach of Children

If Swallowed: Do not induce vomiting

Eye contact: In case of contact with eyes, rinse immediately with plenty of water. Seek medical advice from your doctor or Poisons Information Centre
